

MANUFACTURER LIMITED PRODUCT WARRANTY

(Effective date: January 1st, 2022)

The Manufacturer warrants the artificial turf with a 15-year limited product warranty. All product warranties are from the date of the artificial turf purchase and assuming the turf is maintained as recommended by the Manufacturer. The Manufacturer shall not in any event be liable for any indirect, incidental, punitive, special, consequential, or other similar damages including, but not limited to loss of profits or revenue, economic loss, or other goodwill, even if the Manufacturer has been notified of the possibility of such damages. Slight color changes will occur over the lifetime of artificial turf and are not considered an issue or basis for a claim. **All labor costs involved with the installation, loss of wages, removal of the affected turf and/or reinstallation of any replacement will be the responsibility of the purchaser.**

Subject to the following Limitations:

General provisions of this limited warranty apply to the wear of the turf with regard to ultraviolet degradation, and does not apply to damage incurred during installation, improper underlay, pile crushing, willful or negligent abuses, or damage by machinery or equipment, nor does it apply when the turf is not installed by a manufacturer certified installer. The Manufacturer does not warrant a loss of more than 5% per year of the turf material strength due to ultraviolet degradation. The strain rate and deformation rate increase significantly when the material is subjected to extreme heat and will not be warranted in such conditions. The Manufacturer holds the right to look at temperature history reports to determine if the material has been exposed to consistent extreme heat over a period of 96 hours or more.

Warranty Coverage:

In the event of warranty issues covered by this Limited Warranty, the Manufacturer will either (a) replace the affected portion of the artificial turf product with a new artificial turf product of the same quality or (b) the Manufacturer may elect to issue a credit instead of replacement. This credit shall only apply to the affected areas of the artificial turf product. Replacement of the affected areas is for the artificial turf products only, excluding any and all costs associated with the installation and infill, including but not limited to installation supplies, inconvenience, labor charges, etc. The Expressed Limited Warranty excludes all implied warranties, and the Manufacturer shall in no event be liable for a breach of warranty in any amount exceeding the invoice price of the turf. The Manufacturer's 15-Year Limited Artificial Turf Warranty schedule is as follows: Years 1-4 (100%); Years 5-6 (50%); Years 7-8 (25%); 9-10 (15%); 11-15 (10%).

Limitations on Coverage:
